Dear Vicki and Jim - Dad had  
to come to Walla Walla to  
look at their job on the fence.

Goose Don and he wanted me to  
come with him, so I am Messing out  
on the bridge tournament at the  
Holiday Inn in Bellevue this week-  
end. We will be here for a week  
and plan to go to the tournament  
in Yakima next week end and then  
home. We flew here and thank  
God we were left Seattle just before  
the big wind storm hit. Our plane  
landed in Spokane, Pullman,  
Twinston and Walla Walla. We  
had to take that route because  
it got Dad to the meeting in time.  
We have a rented 1971 Mercury  
to drive and I like it.

I just called the Unit Secretary  
and found out about bridge games  
here. She is going to play with me  
at their game Wednesday afternoon.

Then there is a game Tues.  
Night and Sunday Night so  
I guess I will find some-  
thing to do while I am here. Dad  
is at the office now and is missing  
the basketball game that he wanted  
to see.

Jeannie was really pleased to get  
your letter. Last Sunday was her  
birthday and I baked her a cake  
and put candles on it and we  
took it over. Mary and Mike went  
also.

My painters were ~~two~~ real nice  
boys and they did a very good job.  
The name of the Bellevue boy is  
Jim Mason. His brother was in  
Jeannie's class.

It would be really nice if you  
moved to San Diego next year. It is  
fun moving around to different  
places and then you find out where

you really would like to  
live if you have a choice.

I am glad your job is going  
along good, fine. It sounds very  
important and interesting.

I hope your folks will be  
able to visit as soon as they can. I am  
going to write to them as soon as I  
get home.

We might have to come back here  
and stay for a month. My car  
will really suffer then unless I  
can find someone to take care of it.  
The dam is about 65 miles from  
Walla Walla. But Dad won't have  
to be out there every day as he  
has an office here in town. The  
meeting yesterday was at the dam  
and I sat in the car for three  
hours. I had a nap and read the

Newsweek so the time went  
fast.

Dad is back now so I will  
go out and mail this and will  
write again soon.

Love,  
Mom.

I hope the little bridge book  
arrived by now.
